Dear Harold and Lillian,

Again, folks, I want to sincerely thank you for recently (as of Thurs., May 7th) sending me Harold's superb, honest, and very courageous 1975 ground-breaking book, "Post-Mortem." So far, I'm browsing through it — I think it's fantastic, and even more importantly, Harold, through his own research, private interviews with JFK Assassination people (such as eyewitnesses & government experts newspeople, National Archives people, etc. & etc. and much brilliant work, thanks to the Freedom Of Information Act lawsuits, was able to write "Post-Mortem," and self-publish it in 1975. Harold and Lillian, I personally wanna thank you since November, 1963, indeed before & after that unforgettable, truly tragic and cataclysmic event of Fri. afternoon of Nov. 22, 1963, around 12:30 P.M., Dallas, Texas in Dealey Plaza; of all of the things you 2 truly wonderful, honest, courageous, decent, hard-working, God-loving average American people have done !!!! For all 260 million of us fellow Americans! And most certainly it's far, far more than 10 great books o

my home phone no. is 1(781) 784-9341 lv. message tel. ans. machine

P.S. Again, Harold, I plan to purchase a copy (Special Copy) of your excellent & important book, "Oswald In New Orleans: Case For Conspiracy With The CIA" (1967) for $27.50, during the first week of June! I honestly love "Post Mortem" (1975), Harold & Lillian! I'll keep in touch.

even exposing the most monstrous, hideous, frightening, massive & continuous conspiracy & cover-up in United States history!!! I, and many millions of other average American citizens are thankful to God (who loves each & every one of us with an Everlasting Love!), for what you wonderful folks have done and exposed about President John F. Kennedy and Dr. Martin Luther King's assassinations back in 1963 and 1968!

Harold, Lillian, one of my major goals is to finally meet you in person down at your lovely home in Frederick, Maryland. Hopefully, with God's help, anytime between June and October of this year, I sincerely would love to visit Washington, D.C., and then drive over to visit you at your home in Frederick. By July or August, I'm going to join the Assassination Archives and Research Center (A.A.R.C.) for a $30 yearly membership. Last Dec. '96, I spoke with (on the phone) the great & talented writer/researcher & attorney, Jim Lesar. Harold, as you mentioned in "Never Again" (1995), Jim is an old & very dear friend of yours!

Take care, Harold & Lillian!

Sincerely,
